UNLIMITED BOUNDRIES

1992-1993

WALLA WALLA HIGh SCHOOL

800 ABOTT ROAD

527-2030

Life allows us the opportunity to go anywhere and be anything we desire. The boundries by which we are governed are limitless. Any individual possesses the tools to discover, create, or concore. If we live our lives to the fullest, we live them with...

UNLIMITED BOUNDRIES

Anna Maria Shivell and Kristie Matthews take the time from shopping to smile.

Kevin May, Shannon Peterson, and Jessica Frodert dilegently walk towards the gym parking lot. Something which easily becomes an everyday ritual.

Josh Mortin carefully adjusts his sweatshirt; mean while David Blocklinger makes sure his hair is all right

Stepping from the shadows Jill Watkins is given a slight suprise by the bright sunlight.

REMEMBER

I know we'll meet again
no matter the distance between,
remembering the "good old times",
the memories we've seen.
Others will come and go,
scarcely leaving a trace
filling your heart with memories
that no one could ever replace.
Some will show you the good times,
leaving laughter and tears
thinking of the past times
now called "wonder years".

But I know you cannot hide
the feelings of "remember when".
Just keep my love in your heart
for advice now and then.
Now school days are almost forgotten
a new life will soon begin
with brand new memories
brand new "remember whens".
Don't ever lose your goals, my friend
Don't turn your heart away.
For when you open your eyes
I will be there for you each day.

A.S.B. hopes to incorporate a broader range of students

This years A.S.B. officers have started the year out with a bang. Even though president Scott Bayne said he wasn't going to promise rain gutters in his speech, he fulfilled past presidents promises. According to Scott "A.S.B. helps students to realize that they are no longer only the future, but can make a difference in today's community." This was true when the school reached out their hearts and adopted families for Christmas in their homerooms. John Smelcer over saw this and 32 needy families enjoyed a Merry Christmas.

Former A.S.B. advisor Assistant Principal Gerean Baginiski returned to her old school leaving Mary Lyne Schroeder, Al Sievertsonand Bill McCorkle to become co-advisors.

A.S.B. also helped bring back The Bon Fire during Homecoming week, which was last held in 1989. Each class was responsible to make a mascot of the opposing team during the WaHi Homecoming football game.

The A.S.B.. cabinet consists of 33 members, which are filled by interested people who fill out applications available towards the end of the year. The types of commissioners are: Minister of Ecology, Commissioner at Large, Commissioner of Interhigh, Homecoming Commissioner, Historian, Commissioner of Public Affairs, Commissioner of Orientation, Commissioner of Campus, Commissioner of Publications, and Commissioner of Spring Formal.

GIRLS LEAGUE CREST

Trying to recriut freshmen Boy'sCabinet president Tony BIllingsly exp[ains the job of cabinet to an uncoming freshmen on the first day.

"Umm, that hair cut would be quite interesting," John Eagan exclaims to Alison Madson after she bought a raffle ticket.

Girls League is a club designed especially for girls. As long as you are female and attend WA-HI, you are an eligible member. Each girl is given the opportunity to render service to the school and community. With Mrs. Geidl as the advisor, Girls League has funded and organized events such as the father- daughter banquet, the mother- daughter banquet, the welcoming frolic, Sadie Hawkins and the school landscaping project that began last year.

Boys' Fed is a club intended for all guys here at WA-HI. The organization's primary objective is to be a service club for the school and the community. With the help of Girls League, Boys Fed organized and modeled in the Homecoming fashion show. It also sponsered events such as the mother-son banquet and the air jam.

CREST is a girls service club with two membership requirements: you must be a senior with a GPA of 3.0 or better. CREST is here not only to serve WA-HI, but also the community. Here at school, they organized the self-defense workshop for women. During the Christmas season, they provided baskets containing razors, deodorant, etc. for the women at the YWCA shelter. On Valentines Day CREST sold roses. The money raised was used to buy toys for the shelter at the YWCA. CREST members also waitress at the Evening of the Arts, hand out programs at school events, and stuff evelopes for the Salvation Army.

Knowledge Bowl and Academic Decathalon are academically oriented teams that compete with other schools in the area and participate in district, regional ans state tournaments. This year Knowledge Bowl has done farely well considering they are a young team. The best finishes this year include being 2nd, 3rd, and 5th in the big regional. Our district consists of DeSales, Othello, Hanford, Pomery, and Dayton. There are sixteen schools in all, some schools having more than one team. The questions have become progressively harder over the last five years.

They must have a minimum of two activities and a 3.5 grade point average by the second semester of their junior year or the first sememster of their senior year. Hasn't Annual Staff done a great job this year? But not without the help of, of course, Mr. Peck, the advisor, and a set of Macintosh computers. This has been the first school year in which computers have been available to the annual staff, and their addition has made a definite impact upon the quality and the amount of time invested in this years annual.

Here are some deep thoughts on annual staff from the talented members:

"It's exciting because we can see what the annual looks like before it comes out,"says Rachel Mason.

"It helps you work with fellow classmates even if you don't like them," says Maria Boule.

"I like it because you get to know alot of people," replied Amy Smith.

"I am very pleased with the overall effort of the students and the finished annual,"says Mr. Peck .

Journal Staff, with advisor Ms. Hoffman, is a journalism class open to all interested students. The Wa-Hi Journal, issued about once a month, is produced by the class. A great deal of time and effort is put into the writing, editing, and publishing of the paper. The articles usually deal with issues related to Wa-Hi and our local community.

THE TRENCHCOATS

On February 25, 1993, Wa-Hi was visited by the latest group from the Seattle area, The Trenchcoats. These four guys, with the best a capella sound this side of hip-hop were a major success here, much to the delighted surprise of the staff. Despite the hushed voices and such tid-bits of conversation as "what's this supposed to be?" and "how long are we gonna be here?", the guys put on an amazing performance full of life, and humor, and put the majority of the school in a generally good mood for the rest of the day. If asked about that particular assembly, a common response would undoubtedly be "those guys have tocome back for another round.
